"I would like to congratulate all of this year's award winners and thank everyone for their continued support for the ASA-Midwest Council and the St. Louis area's subcontractors," said ASA-Midwest Council President Steve Giacini. "Our awards truly celebrate the collaborative efforts between the owners, general contractors, subcontractors and suppliers that make each and every project a success."

General contractors were nominated based on bid ethics practice, equitable contract/purchase order provisions, safety policy and practices, payment practices, jobsite supervision, scheduling coordination, subcontractor/vendor relations and administrative procedures/paperwork. Sub-contractors were judged on bid ethics and practice, safety policy and practices, jobsite supervision, communication, scheduling coordination, project relations, administrative procedures/paperwork and quality workmanship. The vendor/suppliers were nominated based on pricing consistency, equitable contract/purchase order provisions, accessibility, timeliness of service/delivery, customer relations and administrative procedures.

The general contractor and subcontractor categories were divided into sub-categories based on sales volume. ASA members nominated and cast votes for the General Contractor and Service Provider/Supplier awards. Past nominees and previous general contractor award winners submitted nominations for the subcontractor categories, which were voted on by previous general contractor winners.
